

Transport Safety Policy

Declaration of Commitment

In today's world road and transport has become an integral part of every human being. Everybody is a road user in one shape or the other. The present transport system has minimized the distances but it has on the other hand increased the life risk. Every year road crashes result in loss of lakhs of lives and serious injuries to crores of people. Basel Network Solutions Pvt. Ltd made Safe Transport Policy on this to save their Employee and Assets

Objectives of the policy

- To make drivers aware of the main risks they face or create when driving for work.
- To make sure that employees who drive vehicles in the course of their work demonstratesafe, efficient driving skills and other good road safety habits at all times.

Code of conduct

- Drinking or being under the influence of drugs while driving
- Driving while disqualified or not correctly licensed

Responsibilities as an employee

- Driver should have proper Driving License for Driving.
- Drive within the legal speed limits, including driving to the conditions
- Wear a seat belt and make sure all occupants wear their seat belt at all times
- Only drive when fit to do so – never drive under the influence of alcohol or drugs, includingprescription and over the counter medication if they cause drowsiness
- Avoid distraction when driving – if you need to, adjust or set sat-navs / car stereos / mirrorsbefore setting off. If you need to re-adjust whilst driving pull over safely in order to do so
- Report any near-misses, crashes and scrapes, including those that do not result in injury
- Do not Ride under Bad Weather Conditions
- Wear a helmet while riding
- Do not use mobile phone when riding
- Maintain the required distance from other vehicles on the road
